

St. Ann

Catholic Church

St. Ann's Parish Mission

St. Ann Parish seeks the salvation of souls through the redemption of Jesus Christ as revealed to us in and through the divinely instituted Holy Catholic Church.

We invite all to receive God's love as we give of ourselves in compassionate service.

October 12, 2025 • Twenty Eighth Sunday in Ordinary Time

Dear Parishioners,

Many thanks for all of your prayers while we priests were on retreat this past week. I know it's a sacrifice for those who attend daily Mass, but retreat week affords us extra time to pray, and a chance for us priests to enjoy one another's

company. So, thank you for your prayers and understanding. Don't forget that the annual parish carnival will be here before you know it. This year our carnival is Saturday, 01 November 2025 from 10 a.m. – 6 p.m. We are still in need of volunteers to help that day, and we're also looking for both personal and corporate sponsorships for our games and rides. And buy raffle tickets!! If you're willing and able to help, please contact Eric Kashmanian at: eric.kashmanian@gmail.com. Please keep an eye on the bulletin and the Friday 5 for more information. Lastly, our next parish pilgrimage will be September 21 – October 2, 2026. We will be heading to Poland and Lithuania. Tour highlights will include sites associated with St. Faustina and Divine Mercy, Pope St. John Paul II, St. Maximilian Kolbe, and St. Edith Stein, and we will also visit the famous Black Madonna of Our Lady of Czestochowa. For those of you who went with me to Poland in 2014, this pilgrimage will include some of the same

sites, but we'll be going to a whole host of other sites we didn't see on that trip. Registration for the pilgrimage is now open on the Tekton Ministries website. Final pricing for the pilgrimage should be set in a month's time; until then, you can find the full itinerary and register at: https://www.tektonministries.org/pilgrimage_pages/pilgrimage-to-lithuania-and-poland-september-21-2026/ This pilgrimage brochure is also available on the parish website. I hope you can join us!

Trusting in Our Lady,

Fr. Reid

Please support our St. Vincent de Paul Society

People across the Charlotte area, Catholic and non-Catholic, call the church looking for some emergency assistance. Volunteers from our St. Vincent de Paul Society talk to these neighbors of ours and can provide some short term help, like with a power, water, or gas bill. There are many people looking for help and the St. Vincent de Paul treasury is depleted, even with a generous subsidy from the parish tithing fund. You can of course donate any time online! Or if you are interested in volunteering with our St. Vincent de Paul Society, please contact our office and Sr. Mary Lydia can connect you with the right person. Thank you for your generosity to your neighbors in need!

Fr. Reid's homilies (audio & PDF) & the bulletins are posted on the website: www.StAnnCharlotte.org

ST. ANN CATHOLIC CHURCH PRESENTS

No Longer a Tool: *The Realities of Technology on Household and Community*

"The opposite of life is not death; it is the machine." – Dr. Ian McGilcrist

There was a time when technological advancements were bedazzling, and the new efficiencies were making life easier and more enjoyable. But, we can no longer pretend this is a matter of tools we use. Increasingly we have become the tool used by and for powers that are not only against our best interest and health, but against nature and even God.

Parents can no longer be passive, nor can they take a victim mentality that gives up all authority to media and tech. A couple decades of smartphones and social media has given us the data to know we cannot claim ignorance at the harm being inflicted in the walls of our own homes. But parents also cannot do this alone and Catholic communities must take more seriously their support for one another in this regard.

In this talk, local author and co-founder of Fraternus Jason M. Craig will move quickly past the calls for content censoring and monitoring and speak more about how technology is changing the way we think, pray, and relate to one another, with proposals for a communal answer to this engulfing question.
